Dear Madam:

Upon reviewing the above-identified patent, Patentee noted typographical errors which should be corrected.

In the Claims:

Claim 10, column 8, line 64: "stopper anti said distal wall" should be "stopper and said distal wall"

Claim 12, column 9, line 59: "applying farce to said plunger" should be "applying force to said plunger"

The errors were not in the application as filed by applicants; accordingly, no fee is required.

Transmitted herewith is a proposed Certificate of Correction effecting such amendment.

Patentee respectfully solicits the granting of the requested Certificate of Correction.

Applicants believe no fee is due with this request. However, if a fee is due, please charge our Deposit Account No. 02-1666.
